# CHAINEXTREMEPERFORMANCE LUBRICATION LUPROMAX®-CL SUPER CHAIN LUBE

## DESCRIPTION

**Lupromax C.L Chain Lubricant** is a high quality, high adhesion spray lubricant that involves the use the Heat Activated Technology (HAT) for motorcycle chains. It has been fortified with extreme pressure and anti-wear agents to minimize metal loss of the drive-chain of the motor cycles. The corrosion inhibitors protect the chain against corrosion in tropical humid environments.

## FEATURES & BENEFITS

- Thixotropic characteristic promotes excellent adhesiveness to the chain.
- Resistant to flinging off the chain during operations.
- Good elastomer compatibility for use with o-ring type chains.
- Provides protection against corrosion under all weather conditions.
- Prevents wear due to very good film strength and excellent extreme pressure properties.
- Extends effective chain life.
- Resistant to high temperatures and pressures.
- Reduces friction and allows high load capacity.
- Penetrates quickly and easily.

## APPLICATIONS

**Lupromax C.L. Chain Lubricant** may be used for chains and linkages of on-road and off-road motor bikes as well as for karts and for bicycles.
